Description

Canine to Five hosts the Riverfront Canine Walks, guided pack walks through Detroit's beautiful riverfront, every Sunday this summer. Join the group at 10:30 am in the Rivard Place parking lot and walk a variety of scenic routes through the Riverfront with your dog. These events are free and parking is free in the Rivard Place lot. Led by Canine to Five Detroit Playroom Supervisor, Cullen Perry, every pack walk offers socialization and exercise for both you and your four-legged friend. Have fun on the Riverfront with other dog owners every Sunday this summer.
